# Spring Plan 2021 Hybrid Remote Plan

### Message from the Administration

Hello Middle School Families!

We want you to know that we care about your children and want to meet with them daily to provide instruction and support. Here are a few changes that will occur for the Spring Semester. Starting on January 4, students will need to complete the survey:

<https://www.surveymonkey.com/r/SRTFDGW>

Log into Edgenuity, Google Classroom, check bell schedule (See below), and view dashboards.

On January 5, students will still utilize Edgenuity for their Core Classes and few of their Elective courses such as PE and Strategies for Academic Success. Other Elective courses such as Band, Choir, Drama, and FACS will continue to utilize Google Classroom. The teacher will assign lessons and grades. Here are few changes you can expect to see next semester.

1. Students will follow their regular bell schedule on Monday, Tuesday, Thursday, and Friday and join all six periods through zoom.
2. In the Edgenuity courses, teachers will instruct 15 to 20 minutes daily each period and bypass the instruction in Edgenuity. Students will complete their assignments in Edgenuity.
3. Students who have Elective courses in Google Classroom will receive instruction daily and complete their work from this platform.
